Dear Partners in Ministry,

**REPORT OF MY SUPPORT RAISING TRIP
 IN SEPTEMBER**

My 8 days trip to the US went very well, THE LORD was with me all the way up and the way back home, I felt very safe! But, I was so far away from my town Matamoros, Mexico and after 8 days I was ready to come back home to see my family again and my church people who I missed a lot!

During this trip, I had the great opportunity to speak about our ministry, vision and church family to 5 different Audiences. I brought with me a ministry video, designed by my son Luis. I brought pictures and ministry flyers. Now, after I came back home I see fruit of that trip, GOD is so good!

For those of you who doesn't remember I was in PA, MN, WI and Dallas TX for a fund Raising trip for the year 2012. 10 Flights in 8 days!!!!!! Thank you so much for your prayers! I also want to thank you for helping me make this trip possible and you who hosted me and let me stay with you (Which was A 5 starts place) Thank you and Blessings!

**3RD ANIVERSARY OF OUR OASIS OF BLESSING
 CHURCH**

We are so thankful to share with you that we had a celebration this month as we accomplished 3 years as a church in this community. We were lot's of people and even had to place chairs outside the church building because of many visitors.

We also, as part of our program gave diplomas to those who graduated from our bible studies for the last 6 months. Letty and I gave a word of encouragement to the students to keep up the good work for the Lord. They were so excited to receive their diplomas!

During our celebration we had a guest speaker from a local church of a Pastor, friend of mine.

The picture on the right shows a few of the people, many others were inside getting ready to have our lunch together. Thank you again for being part of this blessings!
